

Kinder Parents & Caregivers,

Please join us for our Boo-Hoo breakfast on Thursday, August 3 (First Day of School)! Please arrive to campus at 8:15 am and meet us in the gym to send your scholar off with their Kindergarten teacher. The first day of school can be a hard transition for many students and families, so we want to make it as pleasant as possible. This one-time only late start will allow for you to see your scholar off on their first day as a kindergartener at AMS Camelback. Students will be making their way to class at 8:30; at that time, parents are welcome to join Principal Gooden and Assistant Principal Patrick for our first annual PAC meeting. We hope to see you there!
